Forsaken Soul (EasyRead Super Large 20pt Edition) Priscilla Royal

The summer of 1273 is peaceful for most of England, but Prioress Eleanor of Tyndal Priory is troubled. Her friend, Crowner Ralf, is newly widowed with a baby daughter. Her new anchoress is terrifying her servants and welcoming visitors to her window at night. And then Martin the Cooper is poisoned at the local inn. Could the murderer be his usual whore, about to be tossed aside for another woman? Or is it the innkeeper's niece who has secret reasons for fearing him? Perhaps the blacksmith did it, a man whose temper might have exploded when he was mocked once too often? Martin certainly had a wealth of enemies. The killer could be any of them. Eleanor offers what help she can to the investigation, as does Sister Anne, a former apothecary. Yet her own problems multiply and Eleanor has good reason to regret her kindness: one of the nocturnal visitors to the anchoress' window has been Brother Thomas, a man the prioress secretly loves. Now his loyalty to her as head of Tyndal Priory is suspect. Bodies multiply. Suspects disappear. No one likes the direction the evidence points, but God's justice must be rendered - even for the most forsaken soul.
