Preparing for the AzMERIT Assessments

In 2014-2015, Arizona introduced the AzMERIT assessments. Language and vocabulary skills are assessed on the test in two ways. The test includes language and editing tasks where students read short passages and identify errors or opportunities for improvement. Language and vocabulary skills are also assessed as part of the reading comprehension tasks, with some of the questions following passages covering language and vocabulary use.

This book will prepare students for both types of questions, as well as ensure that students have the specific language skills that are assessed.
