Holman Bible Atlas: A Complete Guide to the Expansive Geography of Biblical History

Holman Bible Atlas: A Complete Guide to the Expansive Geography of Biblical History

Winner of the ECPA Gold Medallion Book Award, the *Holman Bible Atlas* is the leading Bible atlas in the English language. Through the use of 132 full-color maps, more than 100 color photographs, timelines, chart summaries, and helpful sidebars, it places readers in the geographical, historical, and cultural contexts of the Bible and enables them to experience its perennially relevant message.

The book is presented in two broad divisions: physical geography of the Ancient Near East and biblical history periods from the patriarchs to the Christian era until Constantine. The content is arranged in line with specific biblical texts so that teachers, pastors, and students will see the key events of the Bible and Christianity with exceptional clarity.

There's also a wealth of written and visual information regarding various people groups (Aramaeans, Moabites, Phoenicians, etc.), great empires (Egypt, Babylonia, Rome, etc.), and the road systems, agricultural year, and economic life of ancient civilizations based on archaeological recoveries.
