## **Realm (Heroes of the Horde) (Volume 3)** Jennifer Hartz

With one of the Heroes Of The Horde kidnapped by the demons, the remaining five members search aimlessly. They face a huge obstacle...the most likely location of their kidnapped friend is inside the demon realm. Months slip by and the likelihood of ever finding their missing friend alive dwindles to practically nothing.

Relationships crumble and morale is weak. The Heroes have reached a breaking point. Throwing even more tension into the mix is a newcomer to the group. Time will tell, but this new member will either tear the group apart or quite possibly hold the key to eradicating the Horde once and for all.

Surprises lurk, not only in the demon realm, but in the very midst of the Heroes as their powers continue to grow. A rabbit trail of clues emerges leading the Heroes to a mystery that's almost a hundred years old. A mystery, that will finally help the Heroes locate the leader of the Horde.
