“You will fall in love soon.”

I lifted a brow at him. “Let me guess, I’ll come into a large sum of money too.”

His smile didn’t falter. “I don’t know about your finances, but I do know he is powerful, the most powerful in this city—a god among men, if you will.”

Raised by strangers in rural Oklahoma, Zade Wilson would do anything to escape her mundane life, or so she thought. When her wish causes an accident on the highway, she is brought face to face with opportunity and doesn’t let it get away from her.

Now, in a new city with millions of strange, new people, she is still trying to find out where she belongs. It doesn’t take long for her to figure out there is something different about the residents in Fable City and that she is more like them than she ever could have imagined. But something sinister is happening to the inhabitants of her new home, and she finds herself in desperate need to learn what kind of Fabled she is and how to use her abilities. Lucky for her, there happens to be a God who wouldn’t mind helping her out. Together they must find who is taking the Fabled and stop them, but things are not always what they seem in Fable City.
