Tennis is the second biggest sport for in-play turnover in the betting markets. It offers fantastic potential for educated, professional traders to achieve high levels of profits.

Mastering Tennis Trading gives you the tools to take a calm, strategic approach to tennis trading - in contrast to the emotional, impulsive trading style of many - and this will give you an edge in the markets.

You will learn tennis trading strategies for the in-play markets on the online betting exchanges - the largest of which are Betfair and Betdaq. The strategies presented will open your eyes to the possibilities in the in-play tennis markets and help you to add statistically-proven techniques to your trading armoury. This will give you a professional, organised trading script and prevent you from taking a haphazard, impulsive and purely gambling trading approach.

Strategies featured include:

- Backing the favourite when losing
- Backing the server
- Laying bad servers
- Tiebreak trading
- At the end of the first set
- The deciding set
- And many more!

Guidance is given on basic areas such as a trading set-up and how to avoid technological issues, through to more advanced subjects such as assessing which trading strategies work best and which entry points provide the best risk/reward ratios, as well as avoiding specific danger points which will help to eradicate costly losses. There are also statistics, compiled over many hours, that reveal high-odds trading opportunities.

With the help of Dan Weston, you will be able to improve your tennis enough to earn you a part-time income, or to eventually allow you to turn full-time once you have gained enough experience. You'll soon be on course to master tennis trading.
