Screen Savers: 40 Remarkable Movies Awaiting Rediscovery John DiLeo

Boris Karloff will forever be Frankenstein's Monster, but is that any reason for us to overlook his later great horror film *Isle of the Dead* (1945)? An Oscar was George Clooney's reward for *Syriana* (2005), but isn't the underrated war film *Three Kings* (1999) still his best movie? *Woman of the Year* (1942) introduced the team of Tracy and Hepburn, yet didn't their later *Pat and Mike* (1952) resoundingly surpass it? Jeff Bridges has long been one of our best actors, so why didn't anyone take notice of his sleeper *Bad Company* (1972)? The lasting impact of *Psycho* (1960) unfairly overshadows Anthony Perkins's great work in the darkly comic thriller *Pretty Poison* (1968), while Stanley Kubrick's later work keeps his terrific caper *The Killing* (1956) from attaining classic status. Can you really say you love Audrey Hepburn if you haven't seen her at her most radiant in Stanley Donen's gem *Two for the Road* (1967)?

Screen Savers: 40 Remarkable Movies Awaiting Rediscovery puts the spotlight on these and other superb yet underappreciated movies spanning the twentieth century. Essential stars and directors are represented here, not for their undisputed marvels but for other equally wonderful films that warrant overdue or renewed recognition: *Cover Girl*, *They Came to Cordura*, *Portrait of Jennie*, *The Seventh Cross*, *The Lusty Men*, *Hail the Conquering Hero*, *Rambling Rose*, *Time after Time*, and many others.

Author John DiLeo offers full-bodied appraisals of each of his selections, breezily combining scholarly acumen with a film fanatic's passion. DiLeo utilizes his lively, accessible style and sharp, insightful critical eye, venturing beyond obvious choices and whetting our appetites to see these vital movies. Be they underseen, dismissed, or taken-for-granted in their day, the films in **Screen Savers** deserve a place of honor in our film heritage.
