The Bishop's Voice: Selected Essays John Shelby Spong

For twenty years, Episcopal Bishop John Spong, wrote a monthly column in his diocesan newspaper, The Voice. Throughout the years, he used the paper as a pulpit for his progressive views about faith, dogma, tradition, and human rights. Compiled and edited by his daughter, Christine, this collection serves as an excellent introduction to Spong's breathtaking breadth of interest and capability as one of the century's leading voices for religious and human inclusivity.
