The use of "focus words" makes it easy to locate phrases that contain a specific word. If you want to develop lessons for teaching expressions that contain the names of basic body parts, for example, you'll find over 20 expressions containing the focus words **eye**, **mouth**, and **nose** and over 50 containing the word **face**.

The short, easy to understand explanations of phrase meanings and the use of focus words will make it easy for you to plan instructional activities.
