The Superior North Shore

Thomas F. Waters

The Superior North Shore Thomas F. Waters

Publisher's Note: Lake Superior has been known by many names through the centuries, from Kitchi Gami to le lac superieur, but the lake itself remains the same expansive and inspiring body of water. Here, Thomas E Waters explores the natural and human history of the Superior basin. From the trout and salmon swimming in its icy depths to the red and white pines towering overhead, Lake Superior has an ancient past. As Waters depicts the geology of the region, he traces the development of the rugged shoreline from Duluth to Thunder Bay to Sault Ste. Marie. The Superior North Shore also vividly describes the human history lived out in this sometimes harsh, always spectacular natural setting, from the earliest Native Americans to the voyageurs to the modern fishing industry. Charmingly illustrated by Carol Yonker Waters, this volume conveys to the reader an intimacy with the legends of Lake Superior, as well as a sense of the grandeur behind this unique and vital ecological system.
