"If you understand completely what I am going to tell you, from this moment on, your life will never be the same again." - Earl Nightingale

Out of every 100 individuals who start out at the age of 25 believing they will be successful in life, only five will have actually achieved their definition of success by the time they're 65.

Only five.

Why is that? Do those five people know something that the other 95 don't?

Yes, they do.

They know the strangest secret in the world.

The strangest secret was uncovered more than 40 years ago by world-renowned radio personality Earl Nightingale. Since then, over one million people in the world have found out what the secret is, and have used it to achieve the most extraordinary results.

Now YOU can be next.

The Strangest Secret

This amazing message was first played for a group of salespeople at Earl Nightingale's insurance agency. They were utterly electrified. Word of it spread like wildfire, and everyone who heard it was positively ignited into action. Requests for a recording of the message came pouring in, thousands of requests per week. Within no time, more than 200,000 people had called, written, or just walked right into Earl's office to request a copy. As years went by, that number soared above 1,000,000. Today, more than 40 years later, The Strangest Secret remains one of the most powerful and influential messages ever recorded. It continues to transform the lives of everyone who hears and heeds it.

We've given you this life-changing message on CD so that you can keep it with you wherever you go and connect with it whenever you want to.
