Jo is your average, everyday seventeen year old girl. Wait, no she's not. Not by a longshot. She is a girl with a secret. Possessed of powers no one would believe even if they knew that she had them. The ability to create illusions at a thought is a dangerous weapon in the most responsible of hands, and Jo's aren't exactly squeaky clean. Ever the trouble magnet, Jo is accustomed to finding more than her fair share of problems - most of which she brings on herself. The rebellious daughter of a senator and a diplomat, she has a rap sheet and has been kicked out of nearly every prestigious private school on the Eastern Seaboard. This time, she's vowed to make an actual effort. Not to fit in - that'd be impossible - but to just not get kicked out. Of course, this would be the school that turns out to be the favorite hunting grounds of a homicidal ghost. What could possibly happen?
