** Awarded Silver in the 2012 WishingShelfAwards ** Tragedy seems to follow Jeanne Le Page around . . . Can she really go through it again and survive? Jeanne Le Page is lucky to be alive ... 15 years ago she was almost killed in a boating accident which brought heart-breaking family tragedy. Now 31, Jeanne is returning reluctantly to the Island of Guernsey following the death of her beloved Grandmother. Struggling for breath as the ferry nears the Island, Jeanne feels a dark foreboding overwhelm her as hazy memories of that terrible day resurface. Only back on the Island to sell her inheritance - her Grandmother's old cottage - she has no intention of staying to pick up her old life. But the cottage holds a secret, dating back to World War II, and Jeanne becomes drawn into discovering more. Then, shortly after her arrival, a chance meeting with an old teenage crush leads her to thoughts of love. Jeanne is forced to face her demons, reliving the tragedy as her lost memory returns. The truth is finally revealed, endangering Jeanne's life for a second time... Review The island of Guernsey is so vividly evoked, one feels as if one is walking its byways. An atmospheric and tantalising read. --Elizabeth Bailey, author of The Gilded Shroud I've never been to Guernsey but I'm determined to go now that I've read this book. It's a book you can settle into and really enjoy, but it's a lot more than chick-lit. There's an intriguing mystery, a finish which had me reading into the early hours of the morning and an insight into what I think of as the back-end of the publishing industry the bit that the reader never sees or even knows exists. It's delivered with a light touch but gives the book real depth. I was impressed. **** --Bookbag.co.uk
