## **Night of January 16th** Ayn Rand

To the world, he was a startlingly successful international tycoon, head of a vast financial empire. To his beautiful secretary-mistress, he was a god-like hero to be served with her mind, soul and body. To his aristocratic young wife, he was an elemental force of nature to be tamed. To his millionaire father-in-law, he was a giant whose single error could be used to destroy him.

What kind of man was Bjorn Faulkner? Only you, the reader, can decide.

On one level, **Night of January 16th** is a totally gripping drama about the rise and destruction of a brilliant and ruthless man. On a deeper level, it is a superb dramatic objectification of **Ayn Rand's** vision of human strength and weakness. Since its original Broadway success, it has achieved vast worldwide popularity and acclaim.
