The Warlock in Spite of Himself Christopher Stasheff

Welcome to Gramarye where witches, warlocks, elves, and gnomes are real; where a spoiled girl-queen and an army of teenage witches and ragtag beggars battle an overwhelming force of rebel knights and time-travelling anarchists, for the future of the most unique, and perhaps most important, planet in the galaxy. This is what cynical, hard-bitten intergalactic spy Rod Gallowglass faces when he and his robot horse Fess, try to bring peace and democracy to this magic-ridden Renaissance-age society. Rod's mission is threatened at every turn by anarchists, communists, and double-dealing royalists playing vicious political power games. Things are made even worse when Rod's advanced technology gets him labeled a warlock in spite of his constant denials. Help comes from the most unexpected sources when he meets an ancient ghost, the King of the Elves, and the most powerful witch on the planet.

This is sword-and-sorcery with a witty, edgy, wry twist.

The classic science fantasy novel by Christopher Stasheff comes to life in 11 hours of dramatic audio, featuring well-known narrator Dennis Regan, and a full cast.

This is an mp3 DVD.
