This handy reference is a practical guide to the diagnosis and treatment of hematologic disorders and adult malignancies. Coverage includes both symptom-oriented and disease-oriented management strategies and both acute and chronic problems. The authors discuss the major clinical manifestations and usual management options for each disease entity, and provide lists of “key points to remember” and current references.

The Washington Manual® is a registered mark belonging to Washington University in St. Louis to which international legal protection applies. The mark is used in this publication by LWW under license from Washington University.
