A Pathway To Union: The Marriage of the Feminine (Heart) and Masculine (Mind) in the Twenty-First Century. Ariana Khent

A Pathway to Union challenges a five-thousand-year old masculine-dominant belief system, which fosters division, separation, and death and offers an in-depth look at a new, balanced feminine and masculine perspective that promotes wholeness, interconnectedness, and respect for life. Learn how you can facilitate this evolutionary transition by observing, tapping into, and trusting the data streaming from your feelings (heart/feminine), thoughts (mind/masculine) and the physical body. In this transformative step-by-step guide you will:

- See how the masculine qualities of action, leadership, and thinking must always contain the feminine characteristics of compassion, creativity, and feeling.
- Probe the benefits of setting healthy boundaries, utilizing left- and right-brain functions, living in the present, and much more.
- Discover your invaluable worth and the contribution personal transformation makes to humanity's collective shift.
- Raise your awareness through practical, supportive exercises, and narrative stories.

Marrying the feminine (heart) and masculine (mind) requires a radical shift in consciousness. A Pathway to Union serves as a blueprint to awaken, and explore what it means to fully integrate feminine and masculine attributes into your life in the twenty-first century.
