**This is Our Faith: An Introduction to Catholicism** Thomas P. Rausch

Divided into four parts, this book outlines the Catholic faith in a very accessible and clear format. Based around the Apostles' Creed, the first three parts of the book focus on the belief in One God and how this belief is understood in Catholic teaching and reflected in the scriptures. The final part of the book focuses on the concept of church as it has developed through the Second Vatican Council and the vision of subsequent popes. The book concludes with an important chapter on the current global situation, which the church must embrace if the faith is going to retain significance throughout the twenty-first century.
