Volo's Guide to the Sword Coast (Advanced Dungeons & Dragons, 2nd Edition : Forgotten Realms, Official Game Accessory, No 9460) (No 2)

Welcome to another in the popular series of guidebooks penned by Volothamp Geddarm. You hold in your hands an overview of the most important inns, taverns, shops, and tourist attractions in the western Heartlands, the coast of which is known as the Sword Coast. These lands begin south of fabled Waterdeep and the Savage Frontier, continue up to the northern borders of Amn, and reach east as far as the desert's edge and Tunland. This perilous region sees some of the heaviest caravan traffic in all the Realms. Every merchant who enters the lands of the Sword Coast should have a copy of this guide ready to hand. As usual, all features and establishments covered are ranked with Volo's handy coin, dagger, pipe, and tankard rating system.
