## **Working with your Angels: Clearing and Blessing your Home (Volume 1)** Ms. Melodie Hawkins

Handy little book that ties together how to clear the energies in and around your home, raise the vibration level and keep it there, and establish a bubble around your home to hold those higher energies in, using crystals, essential and anointing oil spritzers, intention, and angelic help. Melodie provides clear directions on where and how to obtain the materials you'll need and includes instructions on how to make your own blessed water, spritzers, and construct a protective crystalline grid. Interspersed are stories and examples from her own life on how to recognize your own special gifts and not fear them (because they may cause you unwanted attention). Working with your angels, you can: (1) clear your home of wayward, lower energies; (2) raise the energy vibration in your home to the level of the divine; and (3) create the safe, sacred space you need and deserve.
