Crystal Molcott has problems. Besides challenging a sexist tradition to become the first female Guildsman in her nation-state of Guildshelm, she is ordained bride to the realms Lord Minister Apparent and her heart belongs to someone else. Dividing her time between the fantastic reality of the Second World and the mundane, familiar First World does not make her life any easier. Complicating the problem is an evil Count, who is preparing to tear the hauntingly beautiful Guildshelm apart for his own greedy ambitions. Perceiving Crystal and her secret love to be a threat, he plots their deaths as part of his master plan. He may already be unstoppable. Can Crystal find the courage to face down this threat and live up to her Guildsman status? How will she resolve her love?
