The Renegade: A Tale Of Robert The Bruce Jack Whyte

The year 1284 is a period of seeming peace in Scotland. It is also a time when the future of the country is being forged in the form of a young boy, ten-year-old Robert Bruce.

In the decade that follows, King Alexander dies without an heir, and Scotland falls into chaos. The potential for civil war brings a growing threat of invasion from England as Edward I, young Bruce's hero and feudal patron, develops an obsession with adding Scotland, like Wales, to England's Crown by conquest. One man with extraordinary vision and strength will unite Scotland's warring factions against the larger threat that looms beyond its borders, but to do so he will have to resolve the conflict of his own personal, feudal, and national loyalties. This is the story of the man destined to be Robert I, King of Scots.

Filled with intrigue, high adventure, and remarkable characters, *The Renegade* is a dazzling feat of storytelling that weaves fascinating historical detail into the drama and excitement for which Jack Whyte is renowned.
