## **Snowbound** Blake Crouch

For Will Innis and his daughter, Devlin, the loss was catastrophic. Every day for the past five years, they wonder where she is, if she is—Will's wife, Devlin's mother—because Rachael Innis vanished one night during an electrical storm on a lonely desert highway, and suspected of her death, Will took his daughter and fled.

Now, Will and Devlin live under different names in another town, having carved out a new life for themselves as they struggle to maintain some semblance of a family.

When one night, a beautiful, hard-edged FBI agent appears on their doorstep, they fear the worst, but she hasn't come to arrest Will. "I know you're innocent," she tells him, "because Rachael wasn't the first...or the last."

Desperate for answers, Will and Devlin embark on a terrifying journey that spans four thousand miles from the desert southwest to the wilds of Alaska, heading unaware into the heart of a nightmare, because the truth is infinitely worse than they ever imagined.

About the Author:

Blake Crouch is the author of over a dozen bestselling suspense, mystery, and horror novels. His short fiction has appeared in numerous short story anthologies, Ellery Queen's Mystery Magazine, Alfred Hitchcock's Mystery Magazine, Cemetery Dance, and many other publications. Much of his work, including the Wayward Pines series, has been optioned for TV and film. Blake lives in Colorado. To learn more, follow him on Twitter, Facebook, or visit his website.

Praise for Snowbound:

The journey towards the end of SNOWBOUND is as chilling as the setting is cold. Crouch's gift for suspense has never been this personal before. This is Blake Crouch, scholar of words, parser of tales. With great humbleness and the back-up of a Booklist Starred Review, I cannot recommend this book highly enough. SNOWBOUND is simply superb.

CRIMESPREE MAGAZINE

Crouch goes all in, writing harrowing scenes with pump-action Mossbergs and hand-to-hand combat, the site of a shocking betrayal and a frantic struggle for survival...Crouch's plot is compelling...a wild ride through uncharted territory.

CURLED UP WITH A GOOD BOOK

You have never read anything like SNOWBOUND, a sweet nightmare of a book that is unforgettable on several different levels. To put it another way, it's the Highway 61 Revisited of thriller novels. Some of you know what a compliment that is. If you don't, let me end by telling you this: I was screaming at one point while reading, and a few pages later I had tears in my eyes. Readers pour through shelves of books looking for writing like that. Look no further. I can't give you a greater recommendation than that.

BOOKREPORTER

Crouch builds suspense as lines blur between good and bad, and plot twists continue to the last sentence. Absolutely compelling reading, not for the faint of heart.

### From reader reviews:

#### **John Jonas:**

In this 21st century, people become competitive in each way. By being competitive right now, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated it for a while is reading. Yes, by reading a reserve your ability to survive improve then having chance to remain than other is high. For you personally who want to start reading the book, we give you that Snowbound book as beginning and daily reading publication. Why, because this book is greater than just a book.

#### **Mark Shanks:**

Playing with family in a park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Snowbound, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't have it, oh come on its called reading friends.

#### **Judy Brewer:**

Snowbound can be one of your nice books that are good idea. We all recommend that straight away because this reserve has good vocabulary that can increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort that will put every word into delight arrangement in writing Snowbound yet doesn't forget the main place, giving the reader the hottest and based confirm resource data that maybe you can be considered one of it. This great information can drawn you into completely new stage of crucial imagining.

#### **John Casteel:**

This Snowbound is fresh way for you who has interest to look for some information given it relief your hunger details. Getting deeper you into it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Snowbound can be the light food for you because the information inside this book is easy to get simply by anyone. These books build itself in the form which can be reachable by anyone, yeah I mean in the e-book application form. People who think that in e-book form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for you. So , don't miss it! Just read this e-book type for your better life and also knowledge.
