High Five

That's Silly: A Collection of Silly Scenes to Tickles Your Funny Bone (Highlights High Five) High Five Prereaders get ready for reading by describing wacky scenes in their own words. Dogs and cats sitting at a table using flatware. Mice rappelling down kitchen cabinets after sneaking an apple from a basket. Squirrels parachuting from the treetops. “That’s silly!” This collection of ten full-color illustrations (no reading required!) is from the 2007–2008 issues of *Highlights High Five*,™ the award-winning new magazine for children ages two to six, published by Highlights for Children. As kids describe all those silly features, they can hone their visual, language, and reasoning abilities—not knowing how serious all this silliness can actually be!
