The Artist Blacksmith: Design and Techniques Peter Parkinson

The Artist Blacksmith is the essential handbook for anyone interested in bringing a creative, contemporary approach to this ancient craft, and for those already hooked who want to improve and expand their skills. Topics covered include the range and use of tools and materials; fundamental blacksmithing processes; working at the anvil; drawing down, bending, upsetting, and spreading; hot cutting; punching; and finally, twisting and joining. Illustrated with over 200 diagrams and photographs, *The Artist Blacksmith* will provide an introduction to the beginner and valuable information for the more experienced smith looking to expand their workshop.
