For the wide audience who adores television, print, and product-designing media darling and star decorator Thom Filicia's new American style, and for anyone who has ever dreamed of creating her own retreat, this is both a deeply felt story of true house love and a decorating book brimming with beauty.

Thom Filicia wasn't looking for another escape from his busy city life. But when visiting New York's Finger Lakes, a place he loved as a child, he fell madly in love with a fixer-upper. Two years and one careful, respectful, and impassioned renovation later, it has become the house of his dreams--one that profoundly speaks to his happy memories of lazy days spent on the lake or in the town of Skaneateles.

With more than 300 stunning photographs, *American Beauty* is the story of this house, and an inspiration resource that imparts Thom's extensive wisdom on creating rooms that feel modern yet meaningful and classic.
