## **What Jesus Would Say to a Lesbian Couple: Nonviolent Resistance to the Christian Taliban [Revised Expanded Version] Aaron Milavec**

My exposition of this very sensitive topic will be divided into five chapters. This “enhanced version” of my original book adds two additional chapters that explore nonviolent confrontation as an effective way to follow Jesus in responding to the Christian Taliban in our midst.

### Ch1 Early experiences and how my mind has changed

I begin with my personal experience because, when everything is said and done, my concrete encounters with homosexuals massively impact how I register their place in society and in the churches. In this, there is no neutral starting point for me or for anyone else. No matter how many degrees one has earned or how many ordinations that one has experienced, no one can escape their personal experiential base. Anyone denying this is not sufficiently self-aware and cannot be trusted.

### Ch2 How the bible and Cardinal Ratzinger treat and mistreat homosexuals

Next I will introduce you to Matthew Vines’ marvelous skill and disarming authenticity in probing the limits of using the bible to discover God’s view on homosexuality. Immediately thereafter I will unravel the dangerous flaws found in Cardinal Ratzinger’s arguments against same-sex marriages. This section will unmask the hidden fallacies found in the Catholic and evangelical Protestant claims to have found God’s point of view.

### Ch3 How John J. McNeill, Pope Francis, and the US Supreme Court will save our future

Finally, I will use case studies to expose how current authoritarian approaches serves to destroy communities and to defeat the very goals that their exponents hope to achieve. I borrow from John McNeill, Pope Francis, and the US Supreme Court healthy points of departure that enable Christian communities to reaffirm the wisdom of Jesus and to bind up the wounds of all our children. I even offer a healing balm to bitter opponents.

### Ch4 Nonviolent Resistance to the Christian Taliban

As I circulated my first three chapters, I heard from readers who were disgusted with the intimidation and firings surrounding those who support same-sex marriages. They are, in some instances, angry as hell and are ready to take some action to fight against the menace of the fundamentalists. For them, this chapter was written.

### Ch5 Jesus’ Response to Fundamentalism

Our struggle against fundamentalism needs all the help we can get from Jesus. When the Gospels are explored, it is clear that homosexuality and same-sex marriages do not show up. However, what one does

discover is that Jesus did confront Jewish fundamentalists in his day; hence, we have much to learn from Jesus' own nonviolent resistance.
