A fun and relatable book covering many of the challenges confronting a mother preparing to have another baby. Real-life ideas for helping the toddler know what to expect, tips for handling regression in the older child, and logistics for life with more than one baby. Get ready for a light-hearted and funny book that shares stories from the author's transition into a family of four with her own delightfully rambunctious toddler. A must-read for the expectant mama or the recent mother of more than one baby!
