A Civilian's Guide to the U.S. Military Barbara Shading

TenHut Get Your Details Straight If you are thinking of writing a nonfiction article or an espionage or mystery novel involving the military, this is the ideal reference to have on hand. (And even if you're not, you'll find this book is very hard to put down especially in light of today's world events.) 'As a reader and writer, odd details of military life have always intrigued me,' says author Barbara Schading. 'The idea for this book came about as I sought useful information about the American Military, but found it wasn't available in a simplified, cohesive source.' Schading covers the Army, Navy, Marines, Air Force, Coast Guard, and special forces in great detail. Information for each branch includes its mission, background, ranks, uniforms, joining and training information, weapons, and more explained in terms that are easy to understand and make for fascinating reading. For example, did you know Marine recruits are always brought into Boot Camp in the middle of the night to add to their nervousness, fear, and intimidation? Or that upon graduation, every Special Forces soldier is issued a 'Yarborough' knife, named in honor of General William Yarborough, the 'father of the Green Berets.' Only current and former Special Forces are allowed to purchase the knife whose blade is engraved with the name 'Yarborough' and its serial number. This allinclusive guide also includes information about Military law, decorations and ribbons, laws of war and the Geneva Convention, special honor guards and their duties, and several glossaries and appendices that contain slang expressions, acronyms, pay grades, ranks, and a thorough listing of each branch's military equipment.
