The last of her kind

As the last of the Silver Wolves, and the only female with the ability to produce werewolf offspring, Morgan Carter is a wanted woman. Male suitors from all packs vie for her, and threaten the safety of her young niece, Lana. But there is only one man Morgan wants . . .

The last of his control

Greyson Crawford has been through hell and back for Morgan. And he'd do it again. But until she learns to trust him, and lets him claim her as his own, he can't fully protect her. When a force more powerful than either have known threatens to tear them apart, can Greyson convince Morgan to accept him as her mate once and for all, before it's too late?
