She wanted to make a withdrawal from a sperm bank. He would give all he has to make a direct deposit. INVESTING IT ALL Family law attorney Maddie Prescott is driven to succeed. A pawn in her parents' messy divorce, she devoted her career to representing children in court, and when her husband's early death makes it seem like she can't have it all, she's ready to beat the odds by going to a sperm bank. One advantage to single parenthood is that her child will never be a pawn. That, and she'll never have to deal with sarcastic ladies' men or liars. Jack Worth promised to look out for his dying best friend's wife: a small repayment for someone who once helped an irredeemable bad boy find the path to happiness. So, while Maddie Prescott's baby plans are questionable, duty and loyalty prompt Jack first to volunteer as the sperm donor...and then to propose a marriage of convenience. And the more he gets to know her, the more this onetime player will see that Maddie is the woman of his dreams, and that the child they will make deserves to be from a direct deposit.
