ESL Beginner Makes English Easy!

If you need to learn the basics of English grammar, this is the book for you!

Written by experienced ESL teachers specifically for ESL learners, this easy-to-use handbook is perfect for anyone who is just learning the language.

ESL Beginner introduces you to the basics of English grammar with confidence-building activities and exercises that move you to the next level with the right tools and at the right pace.

The book uses daily living skills to help you understand English grammar concepts such as nouns, verbs, simple sentences, compound sentences, and modifiers. Special tables that address articles, vocabulary, plurals, prepositions, and irregular verbs are included for additional review.

Each section of the book contains skill-building exercises and examples that let you practice what you have learned. A glossary of the basic parts of speech, plus appendices of word lists are included for reference.

With *ESL Beginner*, you'll be able to learn at your own pace and enhance your speaking abilities through individual exercises, class discussions, and group projects that are fun and effective learning devices.

This book is an ideal supplement to classroom textbooks and language courses, and serves as the perfect ESL workbook for anyone preparing for an English language test. The book builds upon your knowledge of English grammar as you 'graduate' through each chapter.

Whether you're studying English in a class or on your own, this fun and friendly workbook will help you build your skills and communicate with precision...and success.
