**Evolve, Please!: How You Can Save the World and Attain Inner Peace** Jim Malloy

"We cannot solve our problems with the same level of thinking that created them." ~ Albert Einstein

That applies to the world's problems, as well as to your personal problems. To truly solve our problems, we will have to evolve to a higher level of consciousness. As you evolve, you are contributing to an upgrade of our collective consciousness.

So by accelerating your evolution, you will be playing a significant role in solving the world's problems. And accelerating your evolution will help you grow beyond your own problems more quickly as well.

In this book you will discover 17 ways to accelerate your evolution. Making use of any one of them will step up your evolutionary process. But you can choose more if you wish.

You really can make a difference, and grow more peaceful in the process. Evolve, please! Do it for the planet - do it for yourself.
