**The Third Doctor Adventures: Volume 1 (Doctor Who)** Justin Richards, Andy Lane

Big Finish travel back to Doctor Who of the 1970s, recreating the era for two all-new Third Doctor stories: Prisoners of the Lake (by Justin Richards). Captain Mike Yates is investigating the disappearance of artefacts from an archaeological site deep below Dunstanton Lake. It's hardly a job for UNIT. But when the team discover a mysterious ancient structure buried deep underwater, all that changes. When chief archaeologist Freda Mattingly ventures inside, she soon realises that her skills do not begin to equip her to deal with what she finds. As an ancient menace begins to stir the Doctor, Jo Grant and Mike Yates must dive down to the lake bed and discover the secrets hidden there. Secrets that could mean the end of all life on Earth...The Havoc of Empires (by Andy Lane). The Doctor and Jo take Mike Yates on his first trip in the TARDIS, but instead of the historical cricket match they were aiming for they end up on a futuristic space station in the middle of a diplomatic crisis that might escalate into galactic war. The alien leader of the Chalnoth Hegemony is marrying the human Director of the Teklarn Incorporation, but there are forces that will stop at nothing to disrupt the ceremony. The Doctor is accused of murder while explosions occur across the station, and only Jo Grant, pretending to be a security consultant, can save the day. But then, there's the Eels to consider...Katy Manning and Richard Franklin return to their original roles from the much loved 1970s Jon Pertwee era of television Doctor Who, teaming up with actor Tim Treloar who voices the Doctor. Writer Andy Lane is the novelist behind the popular series of The Young Sherlock Holmes novels and Justin Richards is the writer behind the literary series The Invisible Detective and The Time Runners. CAST: Tim Treloar (Narrator/The Doctor), Katy Manning(Jo Grant), Richard Franklin (Mike Yates), Caroline Seymour (Freda Mattingly), Robbie Stevens (Johnny Repford/Director Pennard), John Banks (Chief Dastron/Lieutenant Macintyre/UNIT Operative), Helen Goldwyn (May Zalrick/Harmony Station AI), Hywel Morgan (Regent Tharlar/Alex Filton), Lucy Briggs-Owen (Tina Andresson), Joanna Bacon (Lady Gurlen), George Layton (Louis Markell/Human Guard).
