Will Oldham

Will Oldham on Bonnie "Prince" Billy Will Oldham

A captivating and revelatory glimpse into the life of one of the most critically acclaimed and enigmatic musicians working today.

The man who acts under the name Will Oldham and sings and composes under the name Bonnie "Prince" Billy has, over the past quarter-century, made an idiosyncratic journey through, and an indelible mark on, the worlds of indie rock and independent cinema. These conversations with longtime friend and associate Alan Licht probe his highly individualistic approach to music making and the music industry, one that cherishes intimacy, community, mystery, and spontaneity. Exploring Oldham's travels and artistic influences while discussing his experiences with such disparate figures as Johnny Cash, Bjork, James Earl Jones, and R. Kelly, the book conveys the brilliance that has captivated fans and made Oldham one of our most influential and beloved songsmiths.

Oldham has declared this book his "last interview"—an essential guide to his life and career. Featuring a full discography, it offers the most in-depth look we may ever get of this fascinating cult figure. 11 illustrations
