Founders and Famous Families of Cincinnati

Wendy Hart Beckman

Founders and Famous Families of Cincinnati Wendy Hart Beckman

When gazing at the city's impressive skyline, we too often forget the notable individuals who built these grand and glittering buildings, as well as the nearby museums, parks and neighborhoods we also treasure. Reflected in the character, reputation and even design of our city, the legacy of the early settlers continues on today. Through their efforts, almost always imbued with a civic entrepreneurial spirit, they stamped their mark on our burgeoning regional reputation, while also allowing current leaders to bolster and broaden our national reputation.

From its very beginnings, Cincinnati offered an enticing combination of personable welcome and worldly sophistication. At one point, Cincinnati had more native-born residents than any other American city, a testament to the values that attracted and retained its citizens.

In *Founders and Famous Families of Cincinnati*, author Wendy Hart Beckman brings to life the founding families' histories, sharing these intertwined and fascinating tales with readers near and far. A charming history of lives lived large -- truly the Who's Who (as well as the When and Where) of Cincinnati -- that when considered together, made the Queen City the great place to live and work that it is today.
