Book one: Living Off the Grid: A Beginner's Guide to an Independent and Self-Sustaining Lifestyle

Want to get away from it all?

One of the biggest problems we face today is that we are way too dependent on society and its infrastructure in order to survive. We have to have electricity, cable, internet, and all kinds of things to live and it is stressing out way too much, let alone dealing with crime, drugs, gangs, and all the other things that go bump in the night

We are not talking living like a caveman, but having residence with electricity, water, sewer, TV and internet, food, and shelter from storms, and not have to worry about sharing it with the neighbors when disaster hits.

In this book you will learn:

- How to select a proper site
- How to decide on your residence
- How to get water
- How to handle sewage
- How to be your own electric company
- How to have internet even if you are miles from civilization
- How to have a garden and raising animals
- How to properly prepare your own foods to be safe for unrefrigerated storage
