## **The Rocket Book: Special 100th Anniversary Edition** Peter Newell

One of the true classics of American literature, Peter Newell's "The Rocket Book," has stirred the imagination of young and old alike for over four generations. Originally published in 1912 by Harper & Brothers, New York, it was the first children's book of its kind, a book about a rocket's incredible journey, floor by floor, through a 21-floor New York apartment. This lavishly produced facsimile of the rare first edition of the Rocket Book by JANES Works Company contains all 22 of Peter Newell's original watercolors and the colorful pictorial binding that make the 100th Anniversary Edition of The Rocket Book so special and enduring. What makes the Special publication of the 100th Anniversary Edition of the Rocket Book so "special" is that it includes 22 new, never-before-seen illustrations, 44 in all. Not only do you get Peter Newell's original 22 watercolors, but you will also get 22 additional illustrations created just for this edition that depict each floor just BEFORE the rocket comes screaming through. And for an interactive experience of The Rocket Book, be sure to check out the app "JANES Rocket Book" by JANES Works Company, coming soon to the Apple App Store, Android Market, Amazon Apps, and the Nook App store.
