With a ring in his pocket, and the future on his mind, Dare Wilde comes home to discover that his worst nightmare has come true. Ree's been taken, his best friend shot, and his father is still on the loose.

He thought he'd won. He thought everyone he cared about most in the world was finally safe. But his life has never been that easy.

Now it's a race against time--and his monstrous father--to save the ones he loves most. Can he help Rex and rescue Ree? Will he even survive another encounter with his father?

Ree and Dare's story comes to a close in this final book of their epic saga. But will the end be a happily ever after or an epic tragedy?

**This unique, angsty, art-infused novel series is like a sexy CW show. Perfect for fans of H.M. Ward, Jamie McGuire, and Jennifer L. Armentrout.**

\*This is the final episode in a 5-episode new adult series. Due to mature subject matter (sexual situations and strong language) this book may not be suitable for all readers.
