Does the Great Commission include outreach to Jehovah's Witnesses? Absolutely! The question is: "How should we approach such a daunting task?" In *Conversations Worth Having*, J. L. Moore discusses how Christians can lovingly engage Jehovah's Witnesses based on a time-tested method of biblical evangelism. While providing a biblical analysis of the history, beliefs, and practices of the Watchtower Society, he also includes examples from his own conversations with the same Witness for over a year. After reading this book, you will be better prepared to share true biblical teaching with the Witnesses in your life through participating in conversations worth having. Virtually everyone is acquainted with Jehovah's Witnesses, but not many Christians are equipped to have meaningful Bible discussions with them. This book is designed to both equip and challenge followers of Jesus Christ to lovingly dialogue with the Witnesses in their life.
