Beyond Rain of Gold is the incredible story of acclaimed author **Victor Villaseñor**'s initiation into the spiritual realm.

Decades ago, after penning the nonfiction epic *Rain of Gold*, the writer embarked on a life-changing journey. In the process of ensuring that his family's saga would be published as the authentic, true account it was, Villaseñor forged a sacred bond with his father and his indigenous ancestors, who were guiding him from the Other Side. The book eventually became a national bestseller and an enduring favorite of millions of readers.

Yet the story doesn't end there. Villaseñor's connection with the Spirit World continued to deepen, awakening him to the ongoing miracles inherent in everyday living. He discovered that his life had suddenly taken on a magical quality, with events occurring that transcended the boundaries of what is normally considered "reality."

A series of mystical encounters with Spirit convinced Villaseñor that not only is there no firm line between life and death—but that the time has come in our collective "human-story" to usher in a new era of abundance, peace, and harmony on our beloved Mother Earth and among all of humanity!

Similar to Carlos Castaneda's body of work, this exciting, raw, and honest book courageously delves into altered states of consciousness that exist alongside ordinary reality . . . ultimately revealing the Spiritual Wisdom that is available to each and every one of us.

Beyond Rain of Gold will truly transform the way you see the world.
