Jessica Grose

Sad Desk Salad: A Novel Jessica Grose

As a former editor for popular websites, including Slate and Jezebel, Jessica Grose intimately understands the realities of life in the blogosphere--and she employs this knowledge to hilarious effect in her edgy and timely debut novel, *Sad Desk Salad*. Grose's story of a savvy blogger who stumbles upon an irresistible scoop--one that could cause irreparable damage to a young woman's life and reputation--and must reconcile her true values with the ruthless demands of a gossip- and reality-obsessed culture is a stinging and wildly funny indictment of America's obsession with celebrity dirt. This fictional behind-the-scenes look at a booming online industry is smart and sharp contemporary women's fiction, a *The Devil Wears Prada* for the twenty-teens.
