The Study of Political Economy: Hints to Students and Teachers (Classic Reprint) I. Laurence Laughlin

It was hoped, thereby, that young men might more intelligently decide whether they should begin the study, and, even when they had pursued it for a time, whether they should continue it. Each man by his own judgment, after an analysis such as is given within of the powers required for the study of political economy, should be enabled to come to a decision for himself more wisely than any one else could reach it for him. (Typographical errors above are due to OCR software and don't occur in the book.)
