Toccatas, Carillons and Scherzos for Organ: 27 Works for Church or Concert Performance (Dover Music for Organ)

Toccatas, Carillons and Scherzos for Organ: 27 Works for Church or Concert Performance (Dover Music for Organ)

This unique collection offers a variety of church and concert works for the organ — many available for the first time since their original publication — in a mix of virtuoso works and brilliantly effective pieces on a less technically demanding level. This comprehensive publication, the first of its kind, includes French, Italian, English, Belgian, German, and American music spanning more than 250 years of organ composition and featuring the most universally popular works: Bach's *Toccatas and Fugue in D Minor* (in the edition prepared by the great English organist Edwin H. Lemare), and the *Toccatas* from Charles-Marie Widor's Fifth Organ Symphony.
