Liberty! Allan Drummond

A symbol of freedom – the Statue of Liberty

Here is the story of the exciting day in 1886 when the Statue of Liberty was unveiled to the world. A small boy stands at the foot of the statue, ready to relay a signal to its creator way up in Liberty's crown, telling him it is time. As anticipation builds, the boy describes the bustling scene in the harbor and on the island – all of New York waiting, including two hundred women suffragists and the President of the United States. In detailed vignettes we see the construction of the statue in France, its voyage to America, and its installation in New York Harbor.

Through rhythmic, evocative prose and energetic pen-and-wash illustrations, we are made to feel the excitement of those gathered to see Liberty's face for the first time, and to remember all that she represents.

From reader reviews:

Donna Jennings:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each e-book has different aim or even goal; it means that guide has different type. Some people feel enjoy to spend their a chance to read a book. They may be reading whatever they consider because their hobby is usually reading a book. Think about the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you will want this Liberty!.

Michael Hamrick:

What do you concentrate on book? It is just for students since they are still students or this for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great and important the book Liberty!. All type of book are you able to see on many solutions. You can look for the internet solutions or other social media.

Ernestine Worrell:

This Liberty! is brand new way for you who has fascination to look for some information because it relief your hunger details. Getting deeper you into it getting knowledge more you know or else you who still having small amount of digest in reading this Liberty! can be the light food in your case because the information inside this kind of book is easy to get by anyone. These books build itself in the form that is certainly reachable by anyone, yep I mean in the e-book type. People who think that in book form make them feel tired even dizzy this e-book is the answer. So there is not any in reading a reserve especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book kind for your better life as well as knowledge.

Fred Garza:

What is your hobby? Have you heard this question when you got pupils? We believe that that problem was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And also you know that little person just like reading or as reading through become their hobby. You must know that reading is very important along with book as to be the thing. Book is important thing to add you knowledge, except your current teacher or lecturer. You get good news or update regarding something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is Liberty!.
