*When a haughty Lord meets a determined Miss the only winner is love.*

Captain Nicholas Price is a man with a plan. As the newly minted Lord Stafford, he is determined to have the best of everything. Clothes, horses, women. He is well on his way with a well-born fiancée and an estate in the country.

Miss Emeline Wilson is a woman on a mission. Forced into penury by the cruel estate manager of the indifferent Lord Stafford, Emeline is determined to confront the new Lord with his callous ways.

When they finally meet, sparks fly, and Nicholas finds himself knocked for a loop by the feisty, intelligent, and definitely not high-born Miss. But what's an already engaged Lord to do when the plans he's so perfectly laid out for his future suddenly seem so wrong?

Warning: This book features an arrogant Lord, a determined Miss, and plenty of steamy moments between the two.
