## **Rabbi, Rabbi** Andrew Kane

Descending from a long line of revered rabbis, Yakov is expected to follow in his father's footsteps as the leader of an ultra-Orthodox community in Brooklyn. But for Yakov, who questions his faith from an early age, becoming a rabbi is more an obligation than a calling. One summer, he discovers love in Rebecca, a young woman who challenges both his beliefs and his doubts. All too quickly, a family secret tears them apart and their lives diverge.

Confused and curious, Yakov pursues a secular education alongside his rabbinical training. A chance encounter reunites him with Rebecca, who he learns is also studying to become a rabbi. His relationship with her blooms as he and his father continue to drift. But what will become of his relationship with God?

This 20th anniversary re-release of *Rabbi, Rabbi*, Kane's debut novel, is a masterfully written, deeply engrossing portrait of modern American Judaism. Now more than ever, Kane's intimate prose will move any reader who has ever struggled with the complexities of faith, family, love, and personal identity.

### **From reader reviews:**

#### **Carol Welch:**

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want experience happy read one together with theme for entertaining including comic or novel. Typically the Rabbi, Rabbi is kind of publication which is giving the reader erratic experience.

#### **Catherine Kuntz:**

Reading a book tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some investigation before they write on their book. One of them is this Rabbi, Rabbi.

#### **Ok Lord:**

Many people spending their period by playing outside with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading a book. Ugh, do you consider reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, taking everywhere you want in your Mobile phone. Like Rabbi, Rabbi which is keeping the e-book version. So , why not try out this book? Let's find.

#### **Joseph Yancey:**

In this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become one among it? It is just simple method to have that.
