So you've missed your shot with the investment banks, hedge funds, private equity firms, and consulting advisory gigs. They stopped by your school, maybe didn't win them over and get an offer for an interview. Maybe you bombed the interview, but hey—that happens. Or maybe you attend a school that not a single finance firm has ever heard of.

In this guide, we will briefly discuss methods of getting in touch with some companies after you seem to have missed your first shot. If done correctly, there isn't a chance you won't score an internship offer or interview with one of the companies that you would (halfway) sell your soul to work for.

Including 750+ financial institutions, you'll be sure to find the position you've been seeking for so long.
