Reentering the rigors of academic life is a monumental decision for any LPN or LVN returning to school, involving both personal and financial investment. This book serves as a guide to assist readers in successfully balancing career, school, and personal life while pursuing educational and professional goals. It leads the reader through a series of interactive exercises and develops a Personal Education Plan. The text supports the reader during this important transition, taking into consideration individual experience, needs, and degree program.

From reader reviews:

Jose Anderson:

Hey guys, do you wish to find a new book to study? Maybe the book with the subject LPN to RN Transitions: Achieving Success in Your New Role suitable to you? Often the book was written by well-known writers in this era. The actual book titled LPN to RN Transitions: Achieving Success in Your New Role is the main one of several books in which everyone reads now. That book has inspired many people in the world. When you read this publication you will enter the new shape that you have never known before. The author explained their thoughts in a simple way, therefore all of us can easily understand the core of this resource. This book will give you a lot of information about this world now. So you can see the representation of the world within this book.

Christopher Pipkin:

Reading a book tends to be a new life style within this era of globalization. With examining you can get a lot of information that can give you benefit in your life. Together with books everyone in this world could share their ideas. Textbooks can also inspire a lot of people. A great deal of authors can inspire all their readers with their stories or maybe their experiences. Not only the stories that are shared in the guides, but also they write about the knowledge about something that you need an example of this. How to get a good score on TOEFL, or how to teach your sons or daughters, there are many kinds of books that exist now. The authors these days always try to improve their proficiency in writing, they also do some study before they write the book. One of them is this LPN to RN Transitions: Achieving Success in Your New Role.

Suk Barry:

Precisely why? Because this LPN to RN Transitions: Achieving Success in Your New Role is an extraordinary book that the inside of the book is waiting for you to snap the item but later it will surprise you with the secret the item inside. Reading this book close to it was a fantastic author who all write the book in such a wonderful way makes the content inside easier to understand, entertaining means but still convey the meaning thoroughly. So, it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other books include such as help improving your ability and your critical thinking technique. So, still want to hold up having that book? If I were you I will go to the e-book store hurriedly.

William Henderson:

You could spend your free time you just read this book this book. This LPN to RN Transitions: Achieving Success in Your New Role is simple to create you can read it in the area, in the beach, train as well as soon. If you did not have much space to bring the printed book, you can buy often the e-book. It is make you much easier to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when you buy this book.
