Molly Moccasins is a new kind of book series encouraging all young adventurers to read, play, think, investigate and imagine in their everyday lives while supporting early learning and literacy development. Within each story, Molly's toes tingle in her special moccasins inspiring adventure and reminding her that, "a curious mind is never bored."

In this story, Molly and her friend Little Janie get stung by bees while playing in the backyard. In an effort to ease their minds about bees, Molly's mother takes them to meet her friend, Buzz the Beekeeper. After getting to know a little more about bees, they discover that bees don't mean to harm you, they are just very busy helping all of the flowers, fruits and vegetables to grow!

This version also includes:

- story related activities
- fun facts

The creators of Molly Moccasins are dedicated to helping children around the globe so, for each story purchased, a story will be given to a child in need—story for story.
